

Need to fundraise but we don't know where to start?

I can help you

- Devise a cost effective multi-year fundraising strategy that reflects your organisational goals and objectives.
- Map out an annual cost effective fundraising action plan which is practical, target driven and suited to your needs and capacity.

Already have some funding from Trusts & Foundations but it's running out?

I can

- Research and identify new funding sources
- Draft high quality funding proposals, log frames and budgets for you to review and submit

Want to apply for funding from statutory and institutional donors (eg European Commission, UN, DFID, FCO etc) but don't know how to get started?

I can

- Identify which funders would be a best fit
- Provide you with information on how to apply to institutional and statutory funding sources, their funding priorities and timetables
- Accompany you to introductory meetings with funders
- Draft applications, log frames and budgets for you to submit

Want to start up a high net worth individual giving programme but not sure how to go about it?

I can help you

- Identify potential high net worth individuals who have a philanthropic interest in your area
- Devise an individual giving fundraising strategy and action plan
- Draft targeted communication materials to share with potential supporters
- Accompany you to introductory meetings to engage high net worth individuals
- Organise events to 'kick start' your high net worth funding programme
